

BIKES & MOBILITY DEVICES

The City of Oceanside updated the Bicycles & Mobility Devices in City Code (Chapter 5) in 2024

Bikes and Mobility Devices (skateboards, motorized scooters, Segways, etc.) **are not allowed** on the Oceanside Pier, Pier ramp, Pier Amphitheater, Plaza, or Beach Recreation Center area. These devices are not permitted on the stairs, walkways, sidewalks from The Junior Seau Beach Community Center to Lot 30 on the Strand. (Sec. 5.14)

Bikes and Mobility Devices shall not operate on sidewalks fronting a business unless a posted sign authorizes it. If authorized with a sign, those riding these bikes and/or mobility devices must not travel in excess of 10 mph, and must ride in the same direction as traffic.

Bikes and Mobility Devices shall not operate in any public drainage facility, culvert, ditch, sports court, or public gymnasium in Oceanside.

Operators of Bikes and Mobility Devices must comply with all traffic laws, not exceed speed limits, slow down or walk through high pedestrian areas (including trails), and properly wear a helmet (17 and under).
